17. VOTING THROUGH ELECTRONIC MEANS

- I. Pursuant to provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members facility to exercise their right to vote by electronic means. As an alternative to vote physically at the AGM, and the business may be transacted through e-Voting Services provided by NSDL.
- II. Similarly, Members opting to vote physically can do the same by remaining present at the meeting and should not exercise the option for e-voting. However, in case Members cast their vote exercising both the options, i.e. physically and e-voting, then votes casted through e-voting shall be only be taken into consideration and treated valid whereas votes casted physically at the meeting shall be treated as invalid.
- III. The E-voting shall commence from Tuesday, 26th September, 2023 at 9:30 A.M (IST) and close at Thursday, 28th September, 2022 AT 5:00 P.M (IST).

The instructions for e-voting are as under, Members are requested to follow the instruction below to cast their vote through e-voting:

- i) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- ii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

iii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF WESTERN CONGLOMERATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying standalone financial statement of **WESTERN CONGLOMERATE LIMITED** ('The Company') which comprises the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including other comprehensive income), the Statement of changes in equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (thereinafter referred to as "the standalone financial statements"), which we have signed under reference to this report.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 (the "Act")in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31st March, 2023. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our Auditor's Report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

We have nothing to report in this regard.

Responsibility of Management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India. This responsibility also includes responsible the maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company's to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- d) In our opinion, the aforesaid standalone financial statements comply with the specified under Section 133 of the Act, read with companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) On the basis of the written representations received from the directors of the Company as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note 35 to the financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund.
- a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall: directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i)(a) and (i)(b) contain any material misstatement.

- j) The Company has not paid/declared any dividend during the year.
- k) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023
- 2. The Companies (Auditor's Report) order, 2020 ("the order") issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we give in the Annexure B, a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.

<u> Annexure - A to the Independent Auditor's Report</u>

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **WESTERN CONGLOMERATE LIMITED** ("the Company") as of 31st March, 2023 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (`ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Western Conglomerate Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The company has maintained proper records showing particulars of intangible assets.
 - (b) According to the information and explanations given to us and on the basis of examination of the records of the company, the Company has a regular program of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified during the year. No material discrepancies were observed on such verification.
 - (c) According to the information and explanations given to us, the title deeds of the immovable properties (other than properties were company is the lessee and lease agreements are duly executed in the favour of the lessee) as disclosed in the financial statements are held in the name of the company.
 - (d) According to the information and explanations given to us and on the basis of examination of the records of the company, the Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) or intangible assets during the year.
 - (e) According to the information and explanations given to us and on the basis of examination of the records of the company, no proceedings have been initiated during the year or are pending against the Companyas at March 31, 2023 for holding any benami property under the Benami Transactions(Prohibition) Act, 1988 (as amended in 2016) and rules made there under.
- ii. (a) Inventory at certain locations was verified by the management during the year while at other locations, the physical verification was carried out by the management. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.

(b) According to information and explanation given to us, on the basis of records of the Company examined by us and as disclosed to the financial statements, the Company has been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate from banks during the year against the security of current assets of the Company.

Based on the examination of records of the Company , in our opinion there was no material difference between the amount of trade receivables and stock reported to the banks, except for the quarter ended March 31,2023 whereby the reported amount of trade receivables and stock were lower by Rs. 340.09 lacs .

- iii. The Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships. Accordingly, the provision of clause 3 (iii) (a),(b),(c),(d),(e)&(f) are not applicable to the company and hence not commented upon.
- iv. In our opinion and according to the information and explanations provided to us, the company has complied with the provisions of section 185 & 186 of the ACT, with respect to loans, investments, guarantees and security.
- v. The company has not accepted any deposits or amounts which are deemed to be deposits. Accordingly, the directives issued by the reserve bank of India and the provisions of section 76 to 79 or any relevant provisions of the Companies Act, 2013 and the rules made thereunder are not applicable to the company for the year under audit. Hence reporting under clause 3(ii)(b) of the Order is not applicable.
- vi. As per information and explanation given by the management, maintenance of cost records has not been prescribed by the Central Government under sub- section (1) of section 148 of the Act.
- vii. In respect of statutory dues:
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Income Tax, cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) According to the information and explanations given to us, no undisputed amounts payable in respect of income tax, cess and other material statutory dues were in arrears as at 31st March, 2023 for a period of more than six months from the date they become payable.
 - (c) According to the information and explanations given to us, the following dues of Income tax as at 31st March, 2023 have not been deposited on account of disputes given below:

- viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- ix. (a)The Company has outstanding term loan as at 31st March,2023 and the company has not defaulted in repayment of loan or payment of interest thereon.
 - (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (c) The term loans were applied for the purpose for which the loans were obtained.
 - (d) On an overall examination of the financial statements of the Company, no funds have been raised on short-term basis that have been utilized for long term purposes.

- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. The company does not have any subsidiaries, associates or joint ventures, so reporting under clause 3(ix)(e) of the Order is not applicable.
- (f) The company did not have any subsidiaries, associates or joint ventures, so reporting under clause 3 (ix)(f) is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - (c) As represented to us by the management, there are no whistle-blower complaints received by the Company during the year.
- xii. According to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with sections 177 and 188 of the act where applicable and details of such transactions have been disclosed in the financial statements.
- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. On the basis of information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act,2013 are not applicable to the Company.
- xvi. (a) According to the information and explanation given to us, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act,

1934 and accordingly reporting under clause 3(xvi)(a),(b),(c) and (d) is not applicable.

- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention ,which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet discharged by the Company as and when they fall due.
- According to the information and explanations given to us, the provisions of section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx)(a) and clause 3(xx)(b) of the Order is not applicable to the Company.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in the report.

NOTES ON FINANCIAL STATEMENTS for the year ended 31ST MARCH, 2023

1. Company Overview

The Western Conglomerate Limited is engaged in the cultivation, manufacture and trading of tea. The Company operates with one tea estate in West Bengal and sells bulk tea in domestic markets. The Company also produces instant Tea at its plant located in Hasimara, West Bengal. The Company is a listed company in the Calcutta Stock Exchange (CSE). The financial statements for the year ended were approved by the Board of Directors and authorized for issue on 30th May, 2023.

2. Statement of Compliance

These financial statements, for the year ended 31st March 2023, have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules 2016.

3. Significant Accounting Policies

A. Basis of Preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain items which are measured at fair value at the end of each reporting period, as explained in the accounting policies given below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

B. Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

C. Property, Plant & Equipment

(i) Other than Bearer Plants

Property, Plant & Equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost is inclusive of incidental expenses related to acquisition. Borrowing costs attributable to the construction or production of qualifying assets are capitalized. Expenses for the repair of property, plant and equipment are charged against income when incurred.

Land is not depreciated.

NOTES ON FINANCIAL STATEMENTS for the year ended 31ST MARCH, 2023

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Depreciation of these assets, are on the same basis as other property assets, and commences when the assets are ready for their intended use.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss. The estimated useful lives are also as specified in Schedule II of the Companies Act, 2013.

Items of Property, Plant and Equipment are depreciated in a manner that amortises the cost of the assets less its residual value, on a written down value method on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for on a prospective basis.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment (other than bearer plants) recognised as of 1st April, 2017 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost.

(ii) Bearer Plants

Bearer plants comprising of mature tea bushes and shade trees are stated at cost less accumulated depreciation and accumulated impairment losses.

Immature bearer plants, including the cost incurred for procurement of new seeds and maintenance of nurseries, are carried at cost less any recognized impairment losses under capital work-in-progress. Cost includes the cost of land preparation, new planting and maintenance of newly planted bushes until maturity. Immature bearer plants expenditure incurred on them for five years are treated in the financial statements as Biological Assets.On maturity, these costs are classified under bearer plants. Depreciation of bearer plants commence on maturity.

Costs incurred for infilling including block infilling are generally recognized in the Statement of Profit and Loss unless there is a significant increase in the yield of the sections, in which case such costs are capitalized and depreciated over the remaining useful life of the respective sections.

Depreciation on bearer plants is recognised so as to write off its cost over useful lives, using the written down value method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Estimated useful lives of the bearer plants has been determined to be 55 years. On transition to Ind AS, the Company has recognised bearer plants for the first time as required by Ind AS 101 at fair value as of 1st April, 2016 and used the fair value as deemed cost.

D. Impairment of Assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible (Bearer Plant) assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

NOTES ON FINANCIAL STATEMENTS for the year ended 31ST MARCH, 2023

An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount, which is the higher of an asset's net selling price and its value in use.

Recoverable amount is the higher of fair value less costs of disposal and value in use.

If impairment is no longer justified in future periods due to a recovery in assets' fair value or value in use, the impairment reserve is reversed.

E. Biological Assets

(i) Biological Assets

Biological assets of the Company represent the young plant which are under progress and will be converted into Bearer Plants after the expiry of five years when they yield as matured tea (capitalised). On transition to Ind AS the Company has recognised biological assets for the first time as required by Ind AS 101 at fair value less cost to sell as at 1st April,2017 (transition date).

F. Inventories

Inventories are stated at the lower of cost and net realisable value. Finished goods produced from agricultural produce are valued at lower of cost arrived at by adding the cost of conversion to the fair value of agricultural produce and the net realizable value. Net realizable value represents the estimated selling price for inventories less all selling costs.

Provision is made for obsolete, slow moving and defective inventories, whenever necessary.

G. Foreign Currency Transactions

The presentation currency of the Company is Indian Rupees. Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Monetary transactions remaining unsettled are translated at the rate of exchange ruling at the end of the year. Exchange gain or loss arising on settlement/translation is recognised in the Statement of Profit and Loss.

H. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liability attributable to the acquisition of financial assets and financial liability attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the Statement of Profit and Loss.

Effective Interest Method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

NOTES ON FINANCIAL STATEMENTS for the year ended 31ST MARCH, 2023

Financial Assets

Cash and Cash Equivalents

Cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

Other Bank Balances

Other bank balances include deposits with maturity less than twelve months but greater than three months and balances and deposits with banks that are restricted for withdrawal and usage.

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets Measured at Fair Value

Financial assets are measured at Fair value through other comprehensive income. (FVOCI) if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at .Fair value through the Statement of Profit and Loss. (FVPL).

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial Liabilities and Equity Instruments

Classification as Debt or Equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

NOTES ON FINANCIAL STATEMENTS for the year ended 31ST MARCH, 2023

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

De-recognition of Financial Liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

I. Revenue from sale of products

Revenue is measured at the fair value of the consideration received or receivable and is net off returns and discounts.

Revenue from the sale of goods includes duties which the Company pays as principal but excludes amounts collected on behalf of third parties,

Revenue from the sales of goods is recognised in the income statement when the goods are delivered to customers for domestic sales or when delivered to a carrier for export sales, which is when title and risks and rewards of ownership pass to the customer.

J. Borrowing costs

Borrowing costs include interest, other costs incurred in connection with borrowing and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to the interest cost. General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their

NOTES ON FINANCIAL STATEMENTS for the year ended 31ST MARCH, 2023

intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Premium in the form of fees paid on refinancing of loans are accounted for as an expense over the life of the loan using effective interest rate method. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

K. Employee Benefits

Provident Fund

The Company operates defined contribution schemes like Provident Fund. The Company makes regular contribution to provident funds which are fully funded and administered by Government and are independent of Company's finance. Contributions are recognized in Statement of Profit and Loss on an accrual basis.

Compensated Absences

Accumulated compensated absences which are expected to be availed or encashed within twelve months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensating absences as the additional amount expected to be paid as a result of the unused entitlement as at the year-end.

Accumulated compensated absences which are expected to be availed or encashed beyond twelve months from the year end are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial loss/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Post Employment Benefit Plans

For Defined Benefit Plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each Balance Sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income. The service cost and net interest on the net defined benefit liability/ (asset) is treated as a net expense within employment costs. Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, and as reduced by the fair value of scheme assets.

Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

L. Taxes on Income

Taxes on income comprises of current taxes and deferred taxes. Current tax in the statement of profit and loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

NOTES ON FINANCIAL STATEMENTS for the year ended 31ST MARCH, 2023

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

M. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

N. Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") has notified the following new amendments to Ind AS which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2023.

• Amendment to Ind AS 1 "Presentation of Financial Instruments"

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information is material if, together with other information can reasonably be expected to influence the decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Amendment to Ind AS 12 "Income Taxes"

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

• Amendment to Ind AS 8 "Accounting Policies, Changes in Accounting Estimates and Errors"

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities use measurement techniques and inputs to develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

4. Key Sources of Estimation Uncertainty

The following are the key assumptions concerning the future and other key sources of estimating uncertainty as at the balance sheet date that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

NOTES ON FINANCIAL STATEMENTS for the year ended 31ST MARCH, 2023

A. Useful Lives of Property, Plant And Equipment

The Company has adopted the useful lives as specified in Schedule II of the Companies Act, 2013 for property, plant and equipment other than for bearer plants. For bearer plants, it has determined the useful life to be 55 years. The Company reviews the estimated useful lives at the end of each reporting period. Such useful lives depend upon various factors such as usage, maintenance practices etc. and can involve estimation uncertainty. Changes in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore, future depreciation charges could be revised.

B. Impairment of Property, Plant and Equipment

An impairment exists when the carrying value of an asset exceeds its recoverable amount, which is the higher of its fair value less costs to sell and its value in use. The fair value less costs to sell calculation is based on available data from binding sales transactions in an arm's length transaction of similar assets or observable market prices less incremental costs for disposing the asset. The value in use calculation is based on a discounted cash flow model and requires the Company to make an estimate of the expected future cash flows from the cash-generating units and also to choose a suitable discount rate in order to calculate the present value of those cash flows.

C. Fair value measurements and valuation processes

Some of the Company's assets are measured at fair value for financial reporting purposes.

Significant estimates are used in fair valuation of Bearer Plants and biological assets

For bearer plants, the Company has used fair value as determined by third party qualified valuer. The valuer has considered observable market inputs such as sale prices and historical information of past production. The key assumptions considered here is sensitive. Reasonable shifts in assumptions including but not limited to increase or decrease in sale prices and production which is dependent on favourable weather conditions would result in increase or decrease to the fair value of bearer plants considered as of 1st April 2016 as deemed cost.

D. Employee Defined Benefit Plans

The determination of Company's liability towards defined benefit obligations to employees is made through independent actuarial valuation. Such valuation depends upon assumptions determined after taking into account inflation, promotion and other relevant factors such as supply and demand factors in the employment market.

30.3 Employee Benefit Plans:

(a) Defined Contribution Plans

The Company operates defined contribution schemes for provident fund to the Provident Fund constituted by the government of India for all qualifying employees. For this scheme, contributions are made by the Company, based on current salaries. The Company does not have any liability towards Provident Fund to the employees apart from its contribution.

An amount of Rs 19,726/- (2022 - Rs.17,297/-) has been charged to the Statement of Profit and Loss on account of defined contribution schemes.

(b) Defined Benefit Plans

The Company makes payment to employees for their Gratuity upon the retirement. However, liability for the year has been provided in the books of accounts as per actuarial valuation report.

(c) Leave Obligation

The Company provides for accumulation of leave by certain categories of it employees. These employees can carry forward a portion of the unutilised leave balances and utilise it in future periods or receive cash (only in case of earned leave) in lieu thereof as per the Company's policy. The Company records a provision for leave obligations in the period in which the employee renders the services that increases this entitlement.

The total provision recorded by the Company towards this obligation was

31st March, 2023	2,551
31st March, 2022	1,687
31st March, 2021	3,178
31st March, 2020	1,600

Notes on Financial Statements for the year ended 31st March, 2023

The amount of the provision is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months. The following amounts reflect leave that is not expected to be taken or paid within the next 12 months.

Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities; process of regular reviews / audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same.

a) Market risk

The Company's business primarily agricultural in nature, exposes it to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of adverse weather conditions and lack of future markets. The Company closely monitors the changes in market conditions and select the sales strategies to mitigate its exposure to risk.

i. Foreign currency risk

The Company undertakes transactions denominated in foreign currency which results in exchange rate fluctuations. Such exchange rate risk primarily arises from transactions made in foreign exchange and reinstatement risks arising from recognised assets and liabilities, which are not in the Company's functional currency (Indian Rupees). A significant portion of these transactions are in US Dollar

Foreign currency sensitivity

The impact of sensitivity analysis arising on account of outstanding foreign currency denominated assets and liabilities is insignificant.

(Amount in Rs. Thousands, unless stated otherwise)

ii. Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objectives of the Company's interest rate risk management processes are to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimize counter party risks.

b) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty including seasonality in meeting its obligations.

The Company mitigates its liquidity risks by ensuring timely collections of its trade receivables, close monitoring of its credit cycle and ensuring optimal movements of its inventories.

c) Credit risk

Credit risk is the risk that counter party will not meet its obligations leading to a financial loss.

The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assess the credit quality of its customer's basis which, the terms of payment are decided. Credit limits are set for each customer which are reviewed on periodic intervals. The credit risk of the Company is low as the Company largely sells its teas through the auction system which is on cash and carry basis and through exports which are mostly backed by letter or credit or on advance basis.

33 The financial risk associated to agriculture would include climate change, price fluctuation, currency fluctuation and input cost increases. Being dependent on rainfall, any shortfall would directly impact the production. The sale of tea being largely through the auction system, any price fluctuation would impact profitability. Increased wages also has a direct impact on the cost of production because of labour intensive nature of the business operations.

Management is continuously monitoring all the above factors. Investment in irrigation, a planned replanting programme to ensure higher yields and improving efficiency of labour and modernisation are some of the measures taken by the management to mitigate the risks.
